

Declaration of Performance No. PJ375 -DOP-2016
1. Unique identification of the product/type:

PJ375
Synthetic Iron Oxide
EN 12878:2014, Category A

2. Type, batch, serial number or any other element allowing identification of the construction product.

Ref Article 11(4)

PJ375

3. Intended use(s) of the construction product in accordance with the applicable harmonised technical specification.

Colouring of lime and cement
based construction products

4. Name and contact adress of the manufaturer.

Ref Article 11(5)

Procter Johnson
Excelsior Works
Castle Park
Flint
Flintshire
CH6 5NT
T: +44(0)1352 732157

5. System(s) of assessment and verification of consistancy of performance of the construction product. Ref CPR Annex V

System 2+

6. In case of the DoP concerning a construction product covered by a harmonised standard:
(EN 12878:2014)

Notified factory production control (FPC) certification body 0086 carried out the initial inspection of the manufacturing plant and FPC, carry out continuous surveillance, assessment and evaluation of FPC and issued the certificate of conformity of FPC.

7. Declared Performance.

Characteristic	Performance	Harmonised Standard
Chemical Composition	Synthetic Iron Oxide	EN 12878:2014
Setting Time	Pass	
Compressive Strenth	Category A	
Soluble Chloride content	Category A	
Total Chlorine content	Category A	
Water Soluble content	Category A	
Loss on Ignition	Pass	
Emission of radioactivity and release of dangerous substances	NPD	

8. The performance of the product is in conformity with the declared. This declaration is issued under the sole reponsibility of the manufacturer.
Signed for and on behalf of the manufacturer by:

Neil Oldfield (Laboratory Manager)
